

Flag Football Volunteer Job Descriptions

Ball In – Ball Out

1. Each field will have two footballs. One ball is marked at the line of scrimmage and the other ball will be held by “ball in” on the sideline. If a ball is thrown downfield or ends up way down the field the official may ask for a new ball to be either thrown in to him or brought to the marker.
2. The ball out will retrieve the downfield ball from a player or off the ground and get it to the ball in for the next play.
