POST 1: ANNOUNCE YOUR CAMPAIGN

I'M TAKING THE PLUNGE!

It only takes \$360 to provide year-round training, competition, and health services for an athlete. Just go to my fundraising page at the link below, and let's see how many athletes we can support this year! #specialolympicsflorida #polarplungefl

The thing is, there are actually more than 300,000 people with intellectual disabilities in Florida, and you can help support new and future athletes just by donating to my Polar Plunge campaign!
